Japanese Sake Tasting

starting at \$10 per person (when added to a Bar Package)

Treat your guests to a tour of Japan through the complex and varying flavors of Japan's national drink...sake. We can create a tasting that's unique for your guests from our selection of fine sakes. Special order sakes can also be imported in from Japan for the discriminating palate.

Custom Cocktail Creation

starting at \$5 per person (when added to a Bar Package)

Our resident mixologists can create a custom cocktail just for your event. A punch of the evening, specialty martini, or inventive personalized cocktail can add a fun twist for your guests.
