### Beverage Service Add-Ons (to be added to Beverage Package selection)

#### Japanese Sake Tasting

starting at \$10 per person (when added to a Bar Package)

Treat your guests to a tour of Japan through the complex and varying flavors of Japan's national drink...sake. We can create a tasting that's unique for your guests from our selection of fine sakes. Special order sakes can also be imported in from Japan for the discriminating palate.

#### Custom Cocktail Creation

starting at \$5 per person (when added to a Bar Package)

Our resident mixologists can create a custom cocktail just for your event. A punch of the evening, specialty martini, or inventive personalized cocktail can add a fun twist for your guests.
